

The Cheese Factory, Carpineti Offers in the region of €200,000

A wonderful former dairy, two self-contained apartments and two outbuildings with redevelopment potential and panoramic views over the Tuscan-Emilian Apennines. Located just below the historic 9th century castle of Carpineti and just 40 minutes from Modena and the A1 Milan-Rome motorway and 90 minutes from Bologna airport, the area is easily accessible.

The property comprises 1,371 sq.m. net and retains the original fixtures and fittings for the artisan production of Parmesan cheese, including the sunken milk-boiling vats and the shelving for air-drying the cheese.

With flair and imagination - and in line with obtaining Agriturismo planning use - this property could be converted into a stylish restaurant, cookery school or venue for gastronomic events and workshops.

There is ample space for a restaurant with stunning views, a separate bar, panoramic terrace across the road, spacious kitchen and preparation areas, two self contained flats, as well as two additional buildings which could be let as B&B accommodation.

There is a large separate area which could be used for car parking to the front of the dairy.
